

## **James Wong**

James Wong is Managing Director, Head of Investor Relations of Paulson & Co. He joined Paulson & Co. in 2003 as head of the marketing and investor relations and is the senior product specialist and principal liaison between the investment team and the firm's nearly 400 global institutional investors. He regularly participates in investment team meetings and manages a team of 9 people.

Paulson & Co. is a global \$12 bil event arbitrage hedge fund founded in 1994 with offices in New York and London. The firm has three core strategies in merger arbitrage, event arbitrage, and opportunistic credit. John Paulson is president of Paulson & Co., and the fund manager for the Paulson funds specializing in merger and event arbitrage. Prior to forming Paulson & Co. in 1994, John was a General Partner at Gruss Partners, a partnership specializing in risk arbitrage, bankruptcy and special situations and a Managing Director in mergers and acquisition at Bear Stearns. John is a Baker Scholar graduate from Harvard Business School and summa cum laude from NYU.

Paulson & Co. is a registered investment advisor and currently has 45 employees. The investment team is comprised of mergers and acquisitions and corporate finance experts with academic distinction, investment banking and legal experience. The team's approach to investing is one of understanding the tradeoffs between risks in corporate events versus potential returns. Portfolios are constructed using a highly selective screening process of identifying and favorably weighting the best risk adjusted return opportunities.

Prior to joining Paulson, from 2000 to 2003, Mr. Wong worked as an analyst and product specialist at Amaranth Advisors. Prior to 2000, he was a senior executive in the technology industry for ten years and graduated from Tufts University in 1986 with a BA in Economics.

Mr. Wong currently resides in Darien, CT with his wife Priscilla and three children.
